- Surveys
- Dashboards & Analytics

MAKE YOUR LIFE EASIER WITH BENEFITS CONNECTION

Paylocity has partnered with Benefits Connection to provide you with an integrated benefits solution. With our innovative technology, we have established a seamless integration to share data that affects plan or payroll contributions. Together, we enable you to focus your time and attention on running your company and growing your business.

BENEFITS OF PAYROLL INTEGRATION

- Fully integrated payroll feed with data encryption
- Take advantage of significantly lower costs than leading competitors
- Improve accuracy and reduce fiduciary liability by eliminating manual processing and transferring of data
- Ensure timely investments for Benefits Administration contributions
- Full census provided for annual reporting

BENEFITS OF INTEGRATION

Our 360° integration with Benefits Connection allows data entered into either system to automatically sync between Paylocity and the partner system providing you with:

- True open architecture recordkeeping platform
- Full-fee disclosure and fee transparency
- Custom plan designs that maximize objectives of owners
- Value-added “handholding” services
- Seamless operational procedures for employer and participants
- Scalable system, whether you have 5 or 5,000 employees
